

Headlines from the sidelines:

We have plenty of sporting news to inform you of:

- Over the term the school has invested in playground games with the aim to increase children's activeness. Children in KS1 can access Skipping, Football, SuperSafe bouncy balls on the games area along with a variety of playground games every lunch play. We also have a brand new Active Trail on the playground. KS2 children access Football, Basketball, 4-Square, Netball & Skipping as well as an Active Trail. It is so nice to see so many children being active and playing together.
