Be ready | Be safe | Be respectful | Be your best

Dear Parents / Carers

All early years children attending our school have a personal online learning journey which records photos, observations and comments in line with our Early Years curriculum to build up a record of your child's learning experience during their time with us. We use a system called Tapestry to do this.

We are pleased to be able to offer our parents access to their child's learning journey via the secure Tapestry website. Using your email address and a password that we will issue to you, you will be able to log in to see your child's learning journey and view our observations. You will also be able to add to your child's learning journey with your own comments and photos, and will be able to respond to our remarks.

In order for you to access your child's learning journey, please provide us with your email address and indicate your consent on the attached slip for us to establish your account via the secure Tapestry website (please note that each parent only has access to their own child's learning journey). If you do not have access to email your child is still able to have an online learning journey and it is possible to provide print outs. Each child will be able to download their learning journey at the end of their time with us.

To maximise the record of your child's learning journey, we often work with groups of children and at times will take photographs. Could you please also indicate on the slip below your consent for your child to appear in group photographs which will be available to other parents of children in the group via the Tapestry secure site.

If you have any questions or queries about the online learning journey, please ask the class teacher.

Kind regards

The Reception Team
