Monday 14th December 2020

Dear Parents / Carers

On Friday 8th January 2021 we have the Pied Piper Production company coming into school to perform the production 'Zoom!'.

It is about a character called Molly who knows everything about space and one day meets a visitor from outer space who lets her know she has more to learn about looking after Earth. The show is an introduction into ways we can help protect our environment.

The show will take place in school for Nursery and Reception pupils at different times and the space will be cleaned and sanitised between bubbles. The actors will be distanced from the children at all times and will follow all other procedures in accordance with our risk assessment.

If you would like any further information on this, please speak to your child's class teacher.

Kind regards,

The Reception and Nursery Team
